Project Insurance Requirements

Harborview Community Center Renovation · Project reference document

DEMO REQUIREMENTS — review the uploaded certificate and endorsement against this project checklist.

Project	Harborview Community Center Renovation
Project owner	Harborview Property Group
General contractor	Northshore BuildCo
Subcontractor	Cedar Ridge Renovation LLC
Work period	October 15, 2026 through June 30, 2027

Coverage requested

Commercial general liability	At least $2,000,000 each occurrence; $2,000,000 general aggregate.
Business auto liability	At least $1,000,000 combined single limit.
Workers compensation	Statutory workers compensation, with employers liability of at least $500,000.
Policy dates	Coverage should remain in force through June 30, 2027.

Additional insured evidence

Provide a separate insurance endorsement naming **Harborview Property Group** and **Northshore BuildCo** as additional insureds for this project. A checkbox or note on a certificate is not the endorsement itself.

The automated workflow checks document completeness and routes the file. A project reviewer confirms policy terms and acceptance.
